

## LORRAINE CAMPBELL

---

Lorraine is a self-driven, highly motivated individual with a strong professional work ethic and a passion for detail. Lorraine thrives in both team environments with likeminded peers as well as when working autonomously. As a passionate individual, Lorraine goes all-out to achieve success and consciously aims to bring out the best in those around me. Lorraine recently had a career break whilst having a third child.

Lorraine was educated at the University of Glasgow and graduated with a BSc. Hons Sports Medicine. Lorraine has worked in a variety of roles, most recently as a Sport Consultant – Industry Development, Department of Sport and Recreation (DSR). Lorraine contributes to strategic reviews and initiatives of the Sports Consultancy Team within the Industry Development Unit, is the project lead on Women in Sport and Recreation Project for the People Development Team (one day per week).

Lorraine's aquatic background lie in her previous roles at the WA Business Centre Coordinator, AUSTSWIM: Australian Council for the Teaching of Swimming and Water Safety and the National Education Manager, Scottish Amateur Swimming Association Ltd (Scottish Swimming) and also Youth Development Manager, Scottish Amateur Swimming Association Ltd (Scottish Swimming).
