Grand Final Weekend Success

Well that concludes another successful season with the hosting of the WPWAI Metropolitan Grand Finals over the 24th and 25th March at HBF Stadium and at Bicton Pool. We witnessed some exciting and very skilful games played out.

WPWAI would like to take this opportunity to thank our strong group of referees for a great volume of work they have completed during a very busy end of season period. With the Western Australian water polo community's continued cooperation we will be sure to achieve our goal of advancing the sport of water polo.

On behalf of the Board and the Water Polo WA community, we wish those teams

competing at the National 14's and 18's events on the east coast the very best of luck. Also, we extend our well wishes to the two Australian Water Polo League teams, as they finish their seasons and hopefully play finals.
