

2018 NATIONAL 16&U BOYS' CHAMPIONSHIPS

11:30 AM UPDATE

WEDNESDAY 3 OCTOBER

Dear Team Managers,

Thank you for your understanding regarding the technical issues we have experienced with the new WPA website.

As you might have noticed the WPA website no longer shows our event schedule and results; we have decided to do this so there will not be any confusion about game venues and times.

Please find below the final points tables, as well as the confirmed game schedule for today Wednesday 3 October.

A heads up for the next update which will be send out later this afternoon: there will most likely be changes for the Thursday schedule as we want to ensure teams get enough rest between games (where possible). This could mean some changes in the order of the games, as well as changes to venues.

Thanks again for your cooperation and good luck for the cross-over games!

The crew from Water Polo AUS & Water Polo WA.
