

17 March 2020

NOTICE TO WATER POLO WA CLUBS AND MEMBERS – COVID-19

On behalf of the Board for Water Polo WA, I would like to advise that due to the health risk associated with COVID – 19, all State League Senior, Junior, Challenge Cup and Masters Competitions cease, effective 17 March 2020.

The impact of COV-19 has been regularly monitored for the past fortnight and this decision was made with the health and welfare of our members and their families as our main concern.

We appreciate the significant contribution made by our clubs, coaches, players, managers, volunteers and officials in providing support up to this point. A disappointing end to a very competitive season but all factors have been carefully considered in making this decision.

In respect to results, current ladders with information that is submitted online and those results to be submitted within deadline, will determine the final ranking. Results will be distributed with Fairest and Best players and we will notify you with the outcome.

In closing, I would like to thank you for your understanding and look forward to your continued support.

Sue Gliddon
