Notes on drop off management in juniors:

- 2023-24 season 16A Boys had four teams and mid-season six with two teams from B Grade 11/12s playing up as only 2 teams in that grade.
- 2023-24 season B Grade introduced a trial of using school years 11/12, 9/10, 7/8, 4/6 to encourage playing with friends.
- Historical issue in girls B Grade with 16s and 18s. Where 18B, typically no 16B. 2022-23 season push to make a viable 18s B competition (there was then no 16 Bs). 18s Bs had not played since 2019-20 and in that year the 16Bs comp also played with 6 teams, the 18s with 4 teams. Prior to 2019/20 there had been no competition above 16s since 2012/13 where had a 17s comp.
- 2023-24 season girls 9/10s were split across the 7-8s and 11/12s as yr 7-9 (where 15s played down) and year 10-12 (where 16s played up).
- 2024-25 girls No 16B comp; 16/18s B played as yr 9-12. Also no 18As girls comp. Top 2 9-12 B Grade girls teams were deemed capable of playing up in A Grade to make a viable competition for 18As. Having no 18s in As or 16s in Bs for girls in 2024-25 needs addressed in forthcoming seasons.
- Boys: 2024-25 season 11/12 and 9/10Bs combined to make 6 team comp – split back for finals where top team straight to GF and 2nd/3rd played SF.
